

Dragon Boat Event Management

The Water's Edge Team specializes in organizing and producing high quality paddle sport events. In organizing dragon boat festivals and regattas, it is a priority of the Water's Edge Team to ensure the safety of all participants, that races are fair and run in a timely manner and that all teams whether recreational or competitive have a fun and rewarding race experience.

For more information about our events or to inquire about an event in your community please click here to contact Water's Edge .
